Mirror Project 2022-2023

Mirror project is implemented to students to make them confident of what they are speaking. Here the student has to select a topic of their willing and has to speak in front of a mirror.

When a student talks in front of a mirror

- It builds self confidence
- It improves presentation style
- It develops public speaking style
- It improves positive things about the day
- It expresses good qualities.

How to talk with the mirror?

- I. Stand in front of mirror [the bigger]
- II. Let the weight of your body be equally divided
- III. Straighten your back and take a deep breath.
- IV. Look yourself into the eyes confidently.
- V. Smile big so that you look determined and confident.
- VI. Start talking confidently.
- VII. Continue breathing as deep as you can and generate only positive statements.
- VIII. Keep on practicing the same way.
- IX. Every time you practice you can find the difference in your way of presenting.
- X. The more times you practice the more perfect you can change.

ZUMBA 2022-2023

College PD Organizes Zumba Sessions on physical fitness of our students. This was a dance-based exercise form that seems more like a dance party than a workout. This form of workout combines all elements of fitness like cardio, conditioning balance, flexibility, energy booster, along with that, there is a feeling of exhilaration and amazement once one leaves the session. A person burns approx. 600 calories per hour, increases self-esteem, reduces stress, builds endurance and co-ordination, strengthens lungs and heart, and tones the muscle. All of this will be done in the form of a dance without feeling the pain of a workout. Sessions will conduct everyday evening 5pm to 6pm to all the students. These sessions will conduct by a PD of our college.

Health & Hygiene 2022-2023

Student's welfare is the one of the premier objectives of TSWREIS. College coordinates with PANACEA, the Health Wing ensures the best care to the students 24x7. Regular health check-up, frequent weight & haemoglobin check-ups will be carried out by the HS.

Student health is regularly monitored by the health supervisor (HS). The Health Centre, monitors the details of sick students every day and takes the necessary action. The details of medication administered, protocol followed etc., are updated to the PANACEA on a daily basis. A specialized diet is provided for anaemic students.

Codes of professional ethics guide all stakeholders of the College about its principles of integrity, accountability, inclusiveness, commitment and sustainability. All stakeholders work within the institutional policies and practices so as to satisfy the Vision and Mission of the College. The College practices a well-structured system of mentoring to provide proper guidance to the students in not only choosing the right career path but also to help them to become confident and emotionally secure individuals. The College is committed to making students conscious of their social responsibility through outreach programs to enhance student's social awareness and sensitivity towards the upliftment of the underprivileged sections of the society.

The College has been imparting quality education as a means of empowering women so that they recognize and fulfil their roles and responsibilities as equal contributors towards nation building and making India a forerunner on the global map.

I-ACT Club 2021-2022

TSWREIS Higher Education Wing Initiation of Intelligent Analysis and Critical Thinking (I-ACT) Clubs (Debate Clubs) in TSWRDCS in this regard, to improve the communication skills of the students, Secretary, TSWREIS suggested to initiate debate clubs across all the degree colleges and instructed the Higher Education Wing to design and structure the debate format and also curate the list of debate topics/resolutions.

Further, the debate clubs would run in the name of Intelligent Analysis and Critical Thinking (I-ACT) Clubs as per the recommendations of the Secretary, TSWREIS.

A debate club gives students an opportunity to develop their oratory skills. With this club students can enhance their critical thinking and also gives an opportunity to be more informed about political and global affairs.

Annexure-I Debate Clubs @ TSWRDCs

- **Structure for Debate:** The debate club must consist of two groups. One **supporting a resolution** (affirmative team), and one **opposing the resolution** (opposing team). Each team must consist a minimum of three members and a maximum of five members.
- The **judging panel** constituted by three faculty members must assess the quality of the evidence and arguments and the performance in the debate.
- **Debate Preparation:** The debate teams must be organized and the topics/resolutions to be debated must be ready at least a week in advance from the day of the debate.

Conducting Debate:

- i. Debate opens with the affirmative team (the team that supports the resolution) presenting their arguments, followed by a member of the opposing team.
- ii. The first speaker on the affirmative team presents arguments in support of the resolution (5 minutes).
- iii. The first speaker on the opposing team presents arguments opposing the resolution.
- iv. (5 minutes).
- v. This pattern is repeated for the second speaker in each team. Finally, each team gets an opportunity for rebutting the arguments of the opponent.
- vi. The judging panel may include a short recess for teams to prepare their rebuttals, if needed (5 minutes)
- vii. The opposing team begins with the rebuttal, attempting to defend the opposing arguments and to defeat the supporting arguments without adding any new information (3 – 5 minutes). This is followed by the rebuttal of the affirmative team (3 – 5 minutes)
- viii. Each team gets a second rebuttal for closing statements with the affirmative team having the last opportunity to speak (3 – 5 minutes each)
