- The **judging panel** constituted by three faculty members must assess the quality of the evidence and arguments and the performance in the debate.

- iv. (5 minutes).
- v. This pattern is repeated for the second speaker in each team. Finally, each team gets an opportunity for rebutting the arguments of the opponent.
- vi. The judging panel may include a short recess for teams to prepare their rebuttals, if needed (5 minutes)
- vii. The opposing team begins with the rebuttal, attempting to defend the opposing arguments and to defeat the supporting arguments without adding any new information (3 – 5 minutes). This is followed by the rebuttal of the affirmative team (3 – 5 minutes)
- viii. Each team gets a second rebuttal for closing statements with the affirmative team having the last opportunity to speak (3 – 5 minutes each)

SABALA HUB

We are an entrepreneurship centre focused on nurturing the youth of the TSWRDC (Telangana Social Welfare Residential Degree Colleges for Women) to reach their max potential by providing them the tools to think outside the box, take risks and make real change in their own communities.

This is not just an education. This is the epic journey of a woman.

Our students are our full-time investment and not only do we provide a solid foundation in Entrepreneurial Practice and Mindset, but also provide access to mentors, co-working space, and international exchange programmes. Come join our journey and you will witness what a woman can do.

Dear Principals and VPs,

We are happy to note that the activities of EDC are showing small results where student's grasp and conversations are around business. With your continued support we look forward to encouraging students to take up small enterprises while in college and continue afterwards.

As a continuation to inculcate entrepreneurship culture and generating Business Ideas , we are now forming Sabala Hub Committees at the college level with an objective to work locally to empower our students and also get the community involvement. The true meaning of going local. Request you to fill this google form as a first step. We will be launching the Committees in the first week of March 2021 with the Charter and Roles.
