Sub: Selected Student list for Data Science with Artificial Intelligence (DSAI)- Virtual Course from UpGrad

In reference to the subject cited, **57 students (Annexure-1)** have been selected to undergo the Data Science with Artificial Intelligence (DSAI)- Virtual Course given by UpGrad.

Course Model is as follows:

It is a 6 months program including (April – October, 2022)

1. Live Classes on Saturdays and Sundays
2. Pre-recorded lectures and assignments from Monday to Friday.
3. Final examination after course completion

Requirements of the Students:

1. The students must attend the live classes and finish learning from the pre-recorded videos.
2. The students must also complete all the assignments and take the Final Examination after course completion if they wish to receive a certificate.

Benefits:

1. It is a free online course.
2. The students have the opportunity to learn from experts one of the most in-demand courses on the market
3. The students will receive a valid completion certificate.
4. The students will also have placement opportunities after course completion.

To ensure smooth coordination of this program, one faculty is nominated from each college to monitor the students' progress (Ensure that they are attending the live classes, completing assignments and pre-recorded videos etc.). A WhatsApp group has been created by the HE Department for overall monitoring.

Requirements:

The students need monitored access to internet connected/WiFi enabled computer systems to attend live classes (Saturday and Sunday) and complete watching pre-recorded videos and assignments (at least 2 hours per day)

In this regard, the Principals of the concerned colleges are instructed to inform the students and the monitoring faculty of the above information and also make the necessary arrangements to ensure that the students attend to the various elements of the course.

Sub: Orientation session on Teach For India (TFI) Fellowship for the students of Telangana Social Welfare Residential Degree Colleges – Guidance in the application process - Reg.

Ref: Instructions of the Secretary, TSWREIS.

@@@@

Higher Education Wing, TSWREIS has launched several programs in the past few years to provide unlimited opportunities for the TSWRDC students in the areas of Higher Education, Employment and Entrepreneurship. As a part of these ongoing programs, HE wing, upon approval of Secretary, TSWREIS is organizing an orientation session for the final year students of TSWRDCs on the application process and selection procedure of Teach For India Fellowship Program.

The Teach For India Fellowship is an opportunity for today's youth to serve as full-time teachers to the children from underserved communities. The fellows are placed as full time teachers, for two years in government or low-income private schools. More details on the fellowship and application process can be found at apply.teachforindia.org

However, the fellowship is highly coveted and receives applications from the brightest minds from some of the best universities in India and abroad. Only 6 to 8% of the applicants finally get selected through the 3 staged selection process.

In this regard, TSWREIS is collaborating with senior personnel from TFI to orient the students on the process and also to guide them with queries in the online application.

The orientation session (virtual) is scheduled to be held on 28.02.2022, Monday, 12 noon onwards.

Zoom meeting details are as follows:

Sub: TSWREIS – Higher Education Wing – GRE/IELTS Training camp 2022 – Screening of students from TSWRDCs – Reg.

Ref: Ambedkar Overseas Vidya Nidhi Scheme (AOVN), Government of Telangana

@@@

The Ambedkar Overseas Vidya Nidhi Scheme was launched by the Government of Telangana to help the marginal classes of the society by providing overseas educational assistance. The scheme will assist the students who want to pursue Masters in overseas (USA, UK, Canada, Australia, France, Germany, New Zealand, Singapore and South Korea) with financial assistance of rupees 20 lakhs in two instalments. Eligibility criteria for application include low annual family income, minimum 60% marks in under graduation, GRE/IELTS scores as per the scheme guidelines. Complete information regarding the scheme can be found at <https://telanganaepass.cgg.gov.in/OverseasLinks.jsp>

However, due to lack of orientation, awareness and high training expenses involved, this scheme is under subscribed in Telangana. Hence, to fill this subscription void and to encourage the TSWR Degree College students to study abroad, with the approval of the Secretary, TSWREIS, Higher Education Wing is conducting GRE/IELTS Training Camp for TSWRDC students and the schedule of the screening process for GRE/IELTS Training Camp 2022 (for Fall 2023 Admissions) is as follows:

| | | |
|---|--------------------------------------|------------|
| 1 | Institutional level screening | 20.02.2022 |
| 2 | Online screening by Agency | 28.02.2022 |
| 3 | State level screening by Head Office | 10.03.2022 |
| 4 | SOP & Interviews | 15.03.2022 |
| 5 | GRE/IELTS Camp | April 2022 |

Any changes in the above schedule shall be communicated to the Principals via email and WhatsApp groups.

In this regard, all the Principals, TSWRDCs are hereby informed to organize an institutional level awareness (before 12.02.2022) by the CGC team to explain the AOVN scheme details and also give an overview of GRE and IELTS examinations. Following this, HE Wing shall conduct an orientation session to explain more about the training and the joining prerequisites for the students.

Further, all the Principals are informed to arrange the printed study material (at least 2 copies) for GRE exam (shared by the Head Office via email dated 08/02/22) in the library for students' reference and preparation.

In reference to the subject cited, the Higher Education Department (HED), TSWREIS would like to organize the special orientation (Special Tests, Group Discussions, and Interview Skills) camp for the TISSNET & APUNET aspirants. To this end, HED will conduct the Institutional Level Screening (Online/Offline) Test for the interested candidates on 4th February, 2021.

TISS (Tata Institute of Social Science) is a unique institution that brings together high quality scholars and practitioners from Social, Economic, Political, Physical, Habitat, Engineering, Health, and Environmental Sciences to create interdisciplinary teaching and research programmes combined with field action to address the most critical current and emerging issues of the nation.

APU was established in Karnataka under University Act 2010 as a not-for-profit University. The availability of trained professionals in education, development and allied social sectors in India is grossly inadequate, given the scale, complexity of issues and the wide range of competencies required to work in these areas. APU currently offers five postgraduate programs (M.A. Education, M.A. Development, M.A. Public Policy and Governance, M.A.Economics).

In this regard, all the Principals, CGC Team are instructed to identify all the TISS, APU aspirants and encourage them for TISSNET & APUNET and submit the data who are interested for TISSNET & APUNET with required fields (mentioned below) on or before **1st February 2022** in mentioned Google Sheet Link:

TSWREIS is constantly looking for ways to expand the experiences of students. Due to Covid-19, internships have been canceled or put on hold for the foreseeable future. TSWREIS would like to facilitate Virtual Summer Undergraduate Research Fellowship to explore and understand the various aspects of conducting research. Last year 100 students were engaged with prestigious Universities as part of this initiative.

SURF-Virtual is being created to enable 100 students that will be categorized based on their subject interest into Life Sciences, Economics (Social Sciences and Commerce) and Chemistry (MPC/BZC etc.). This program is still in its early design phase and the initial model will accommodate 10-15 Online sessions conducted for each of the three groups over t11.00 AM to 12.00 PM he period of one-month beginning in July. The students participating in this fellowship are expected to explore the basic elements of research including the formulation of a problem statement, building a hypothesis, research methodology, writing a proposal and a research article among others.

Eligibility: - All the Second-Year Undergraduate students are eligible to write the examination.

- Should have a proper internet connection to attend the classes and have access to a smart phone at all times.
- Should be passionate towards learning and must be inclined towards research.

Selection Process:

1. Phase 1: 50 questions for 100 Marks. Should have subject related reasoning questions. Will be held on **25th June, 2020 (Tentatively) 11.00 AM to 12.00 PM.**
2. Phase 2: 50 questions 100 Marks- Basic Reasoning questions on research. Will be held on **27th June, 2020 (Tentatively) 11.00 AM to 12.00 PM.**

The Principals and the CGC are directed to inform the students about the program and the process of selection.

Sub: Mentoring degree final year students for applying Post Graduation Courses- Premier Institutions and top notch Universities- TSWREIS - Reg.

In reference to the subject cited, Higher Education Department (HED), TSWREIS would like to inform you about the several post-graduation admission notifications of premier institutions/universities whose applications deadline are fast approaching. Few Premier Institutes have already notified their PG entrance examinations and few are yet to announce (Annexure-I). In view of this, all the faculty members of TSWRDCS has to encourage/motivate the deserving final year students and further assist them during online application. Therefore, Principals are informed to allot final year students equally to all the faculty members for guiding students to apply for various premier institutes to pursue postgraduate courses.

It is very important to note that, **each teacher has to motivate final year students to apply for a minimum of three postgraduate entrance examinations** (*Telangana State CPGET 2020, CUCET-2020 and any one of the premier institute for which student is interested*). During the lockdown period, faculty members are informed to share all the required study material/model question papers besides guiding them towards online registration for the above said examinations.

In this regard, Principals are instructed to **allot all the final year students equally to all the faculty members** for mentoring students for state- and national-level postgraduate entrance examinations. Following this, Principal and CGC Team of respective colleges have to consolidate the above said registrations and submit the same to Department of Higher Education, TSWREIS at the earliest.
