**Village Learning Centers :** The idea of initiative VLCs came from Swaero circles ,which emerged in 2017. functioning every day through the students of tswrdcw nirmal in their respective villages, Students from across the districts like Nirmal, Mancherial, Adilabad, Asifabad have started tutoring each day ,transforming community spaces into classrooms.

- With enormous support from parents they are able to transform their roof tops, verandas ,temples ,schools ,playgrounds ,agricultural lands into educational hub.
- The idea is that every individual shall incorporate skills to educate each other.
- In order to that they are provided with opportunities, even poverty is not a barrier.
