## Establishment of Minority Cell

Minority cell of the college was established in 2021, with the purpose of Empowering the minority communities in the college. "Every student has a high of education" by following the fact out institute is very much keep to provide services to the educational and cultural needs of the minority community along with other caste, creed and nationality. The minority cell basically helps minority students including christian, muslims etc for their academic development.

The cell is always engaged to solve the various problems of minority students. The cell provides support to the students belonging to such communities to bring them to the main stream.

## OBJECTIVES :-

- To provide equal opportunity for education of minorities
- To create awareness among minority students
  - ts regarding various scholarship programmes
  - mes of State government and central government
- To support financial support to students from minority communities from government agencies and other sources
- To support & empower minority communities and to help students achieve holistic development
- To help students with their social academic, curricular, co-curricular and extra-curricular activities
- To ensure an environment where minority students feel safe & secure
- Encourage career orientation programmes
  - cell encourage students to enroll in Career Orientation program like WOC, SSP & ASAP.
- To support personality development promotion & protection of their identity prevent forced assimilation and the loss of cultures, religions and language
- Assisting students counseling, development Remedial coaching for professional & Employment purposes etc.

→ To organise & monitor unique coaching/training/remedial coaching schemes in the college for students to prepare them for UGC-NET/SLET/JRE/SET/other competitive examinations.
